

# It **MAKES** cents

to save and borrow with your Credit Union

Take advantage of our unique debit card savings program, Makes Cents.

**Use your debit card to make purchases and we will automatically transfer the difference between the purchase price and the next whole dollar amount from your checking to your savings account.**

As a bonus the credit union will match your first 30 days' worth of Makes Cents transfers up to \$25.00. It just Makes Cents to save the painless way with Montana Health Federal Credit Union.

Full service credit union dedicated to caring for the financial health of healthcare workers in Montana and Wyoming.
